## Pebble Beach Golf Course

One of the most famous golf courses in the world!

There are few golf thrills like teeing-up for the first time on Pebble Beach Golf Links. You sense the presence of golf's biggest legends. You anticipate each and every storied hole while recounting some of the greatest moments in golf history. Since 1919, the exquisite beauty and unique challenge of Pebble Beach Golf Links have thrilled golfers and spectators alike. Designed by Jack Neville and Douglas Grant, the course hugs the rugged coastline, providing wide-open vistas, cliff-side fairways and sloping greens.

## Spyglass Hill Golf Course

Spyglass Hill Golf Course takes its name from Robert Louis Stevenson's classic novel, *Treasure Island*, published in 1863. Local legend maintains that Stevenson once wandered the Spyglass area gathering ideas for his novels. With this in mind, Robert Trent Jones Sr. set about creating a treasure of his own.

Opened in 1966, Spyglass Hill Golf Course features two distinctly different kinds of terrain that influence the way the holes look and play. The first five holes roll through sandy seaside dunes challenging you to carefully pick the safest path. The following 13 holes are cut through majestic pines with elevated greens and strategically placed bunkers and lakes to grab the errant shot.

## Del Monte Golf Course

Opened in 1897, Del Monte Golf Course is the oldest course in continuous operation west of the Mississippi. Designed by golf and polo enthusiast Charles Maud, this inland course boasts a meandering layout that has challenged golfers for more than a century. It was the original host of the California State Amateur and continues to serve as one of three courses on which the Callaway Golf Pebble Beach Invitational is played.

Del Monte Golf Course features wide fairways lined with oak, pine and cypress trees and the back nine includes a treacherous par-5, 512-yard 13th hole.

## Poppy Hills Golf Course

The Poppy Hills Golf Course was designed by **Robert Trent Jones, Jr.** and opened in 1986. Along with the Pebble Beach Golf Links and the Spyglass Hill Golf Course, Poppy Hills co-hosted the PGA Tour's AT&T Pebble Beach National Pro-Am golf tournament from 1991 to 2009.

The course is a par 72 that is set among the many trees of the Del Monte Forest. The course is noted for its many dogleg holes as it bends through the forest. Many holes have elevated greens with undulating slopes to make putting difficult. Almost every hole has at least one bunker and several have ponds fronting the green. The second hole, a par three, actually has two greens, which allows for many pin positions.

## Bayonet Golf Course

Certain to provide both challenges and inspiration to golfers for generations to come, Bayonet has been resculpted by award-winning golf course architect Gene Bates.

Retaining its classic, tree-lined character,

while showcasing Bates' elegant bunkering and graceful greens, the new Bayonet offers expanded views of the bay. Although the overall length of Bayonet has increased only 16 yards, the strategic and visual impact created by Bates' bunkering is immeasurable.

Bayonet, which opened in 1954, is steeped in golf and military history. Created on the site of the former Fort Ord by General Robert B. McClure, it was christened in honor of the 7th Infantry Light Fighter Division (nicknamed the "Bayonet Division").

Always stimulating and in spectacular shape, and with Monterey Bay as its inspiring backdrop, the remodeled Bayonet is ready for the new era to begin.
